Dear Chairwoman Granger and Ranking Member Delauro,

I am requesting funding for the Ross Road Restoration for Holman Correctional Facility in fiscal year 2024. The entity to receive this funding is the City of Atmore, located at 201 East Louisville Road, Atmore, AL 36502. The funding would be used to rebuild a washed-out road in front of Holman Correctional Facility. The road is the only thoroughfare for a community near the Correctional Facility. The project is an appropriate use of taxpayer funds because it there is a significant public safety risk with the road being close to impassable. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
